**Course Outline:** This is an overview of the landscape design profession for those who wish to explore this vocation, explaining the legal constraints and career options available to the individual. We will combine lectures, field trips to projects, design exercises and open studio discussion to answer questions. On Wednesday we will do a design for a sample residential property, giving students the opportunity to practice basic pencil drafting procedure and graphics. It will also give the student an opportunity to use the skills and information we have been covering the previous two days.

**Cost:** The Cost for this 3 day workshop is \$300.00 - redeemable towards either 4 week course. *All drafting tools are the responsibility of the student*

**Minimum/Maximum Enrollement:** A Minimum of 5 students is required. A maximum number we can seat is 12 individuals.
